Practice on Robotics

Application oriented education program for those interested in robotics.

Date: January 30th – February 5th
Time: 9.40 - 16.30 each day
Website: https://romer.metu.edu.tr/robotik-egitim

Registration and program details:

Lectures - Instructors:

- Estimation Theory - Elif Sarıtaş
- Introduction to Control Theory - Atakan Durmaz
- Control Theory on MATLAB - Atakan Durmaz
- Introduction to LQR and MPC - Osman Kaan Karagöz
- Introduction to ROS - Umutcan Üstüntaş
- Object Oriented Programming on Python - Burak Bolat
- UR Panda workshop - Burak Bolat
- UR3 workshop - Efe Özkara
- Reinforcement Learning - Özgür Aslan
